Versteigerungsbedingungen

Mit der Teilnahme an der Versteigerung werden folgende Bestimmungen anerkannt:

Die angegebenen Preise sind Schätzpreise in Schweizer Franken. Der Ausruf erfolgt in der Regel bei 80%, sofern nicht höhere Angebote vorliegen. Auf den Zuschlagspreis ist ein Aufgeld von 15% zu entrichten; für Auslieferungen in der Schweiz erhöht sich der Endpreis (Zuschlagspreis + Aufgeld und Versandspesen) um die MWST von 6.5% für Münzen und Medaillen und von 2% für Bücher. Goldmünzen (AV) sind von der MWST befreit. Der Gesamtpreis ist nach erfolgtem Zuschlag fällig und bei der Aushändigung in Schweizer Franken zu bezahlen. Für verspätete Zahlungen berechnen wir die banküblichen Verzugszinsen. Der Zuschlag erfolgt nach dreimaligem Aufruf des höchsten Gebotes und verpflichtet zur Annahme. Schriftliche Gebote haben den Vorrang. Jeder Ersteigerer verpflichtet sich für die durch ihn getätigten Käufe persönlich. Er kann nicht geltend machen, für Rechnung Dritter gehandelt zu haben.

Für die Echtheit der Münzen wird vorbehaltlos und zeitlich unbeschränkt garantiert. Alle Angaben im Katalog wurden nach bestem Wissen und Gewissen zusammengestellt.

Der Versand erfolgt eingeschrieben und versichert zu Lasten des Empfängers. Im Ausland verrechnete Gebühren und Steuern gehen zu Lasten des Käufers. Es obliegt dem Erwerber, sich über ausländische Zoll- und Devisenvorschriften zu informieren. Die Veranstalterin der Auktion übernimmt keine Haftung für allfälliges Zu widerhandeln solcher Vorschriften.

Der Auktionator ist befugt, von der im Katalog aufgeführten Reihenfolge abzugehen und Nummern zu vereinigen. Es erfolgt keine Aufteilung der Lose. Erfüllungsort und Gerichtsstand im Verhältnis zwischen der Veranstalterin und dem Erwerber ist Zürich. Die Abgabe eines schriftlichen oder mündlichen Gebotes bedeutet gleichzeitig die Anerkennung der Auktionsbedingungen.

Im übrigen kommen die ortsüblichen Gantbedingungen zur Anwendung. Vorliegende Bedingungen liegen in deutscher, französischer, italienischer und englischer Fassung auf. Bei Meinungsverschiedenheiten ist die deutsche Fassung massgebend.

Conditions de la vente aux enchères

En participant à la vente, les conditions suivantes sont considérées comme acceptées:

Les prix indiqués sont des prix estimatifs en francs suisses. La vente débute en principe à 80% du prix d'estimation, pour autant qu'il n'y ait pas d'offres plus élevées. Sur le prix d'adjudication une majoration de 15% est prélevée. En cas de livraison en Suisse, le prix total (prix d'adjudication + majoration et frais d'expédition) est augmenté de la TVA de 6,5% pour les monnaies et médailles et de 2% pour les livres. Les monnaies en or (AV) ne sont pas sujettes à la TVA. Le prix total, y compris les taxes, est payable en francs suisses à la réception de la marchandise. En cas de paiement tardif, nous calculons un intérêt de retard au cours bancaire. L'adjudication a lieu après le 3^e rappel de l'offre la meilleure et oblige l'acheteur à prendre son acquisition. À prix égal, les offres écrites ont la priorité. Chaque participant à la vente s'oblige pour les achats effectués par lui-même. Il ne peut faire valoir avoir agi pour un tiers.

Nous garantissons l'authenticité des monnaies sans condition et sans aucune limite de temps. Les indications de notre catalogue ont été faites en toute science et conscience.

L'envoi se fait sous pli recommandé et assuré aux frais du destinataire. Toutes taxes ou impôts prélevés à l'étranger sont à la charge du destinataire. L'acquéreur doit lui-même s'informer des prescriptions douanières et des taxes du pays d'importation. La maison organisatrice de la vente ne peut être tenue pour responsable au cas où ces prescriptions ne seraient pas respectées. L'organisateur de la vente est autorisé à modifier l'ordre figurant dans le catalogue et à associer plusieurs numéros. Les lots ne seront pas séparés. Le domicile juridique entre l'organisatrice et les acheteurs est Zurich, ceci en cas de différences. La remise d'une offre écrite ou verbale signifie en même temps l'acceptation des conditions précitées de vente aux enchères.

Les conditions locales de mise aux enchères seront appliquées et celles-ci sont disponibles dans les langues allemande, française, italienne et anglaise. En cas de différences d'interprétation, le texte allemand fait foi.

Condizioni di vendita

La partecipazione alla vendita all'asta comporta l'accettazione integrale delle seguenti condizioni. I prezzi indicati a fianco di ciascun lotto rappresentano la stima in franchi svizzeri. Se non sono pervenute offerte più elevate del prezzo di stima, l'inizio di battuta d'asta corrisponde generalmente all' 80% circa dello stesso. Al prezzo di aggiudicazione verrà aggiunta un diritto d'asta del 15%. Per le consegne all'acquirente in territorio svizzero sarà aggiunta al prezzo totale (prezzo di aggiudicazione + diritto d'asta e spese di spedizione) per le monete e le medaglie il 6,5% d'IVA e per i libri il 2%. Le monete in oro (AV) sono escluse dall' IVA. L'importo complessivo sarà esigibile al momento dell'aggiudicazione e pagabile in franchi svizzeri alla consegna dei lotti. In caso di ritardo nel pagamento sarà applicato l'interesse bancario sull'importo dovuto. L'aggiudicazione avviene dopo la terza chiamata della migliore offerta ed obbliga l'offerente ad accettarla. In caso di parità di offerte, avrà la precedenza quella effettuata per corrispondenza. Ogni partecipante alla vendita all'asta è personalmente responsabile degli acquisti effettuati: pertanto egli non può pretendere di avere agito per conto di terzi.

Gli oggetti offerti in vendita sono garantiti autentici senza limiti di tempo.

L'invio degli oggetti viene di regola effettuato in plico postale raccomandato a spese ed a rischio del destinatario, il quale, se residente all'estero, dovrà assumere a proprio carico ogni eventuale tassa o imposta applicata nel paese di residenza sul contenuto del plico raccomandato. È onere dell'acquirente di informarsi sulle prescrizioni doganali e valutarie del paese di importazione e la società organizzatrice della vendita all'asta non può essere ritenuta responsabile nel caso in cui esse non vengano rispettate.

Il commissario d'asta ha il diritto di modificare l'ordine di vendita del catalogo e di riunire più lotti mentre, per contro, non può suddividere i lotti costituiti di due o più pezzi. In caso di controversia è competente il foro di Zurigo. L'inoltro di un'offerta scritta o verbale implica l'accettazione senza riserve delle presenti condizioni d'asta.

Saranno inoltre applicabili le consuetudini locali sulle vendite all'asta, il testo delle quali è disponibile nelle lingue tedesca, francese e inglese; in caso di divergenze di interpretazione farà fede il testo in lingua tedesca.

Conditions of sale

The following conditions are acknowledged by all persons participating in the auction:

The estimates are in Swiss Francs. The opening bids will be about 80% of estimate, unless there are higher offers. The purchase price plus a commission of 15% is due and payable in Swiss currency. For lots delivered in Switzerland, VAT of 6.5% for coins and medals and 2% for books, will be added to the total (hammer price together with auctioneer's commission and sending charges). Gold coins (AV) are free of VAT. The total price is due after the final bid and payable on delivery. Late payment of the invoice will incur interest at bank rate. Adjudication ensues after the highest bid has been called three times, and commits the bidder to accept the coins. Written bids have preference over room bids. The buyer cannot claim to act on behalf of a third person.

The authenticity of the coins is unconditionally guaranteed, without time limit. All identifications of the items sold in this catalogue are statements of opinion and made in good faith.

The dispatching of purchases is normally registered and insured, payable by the purchaser. The purchaser is responsible for any dues or taxes outside of Switzerland and is advised to acquaint himself with the formalities. The auctioneer cannot be responsible for contraventions.

The auctioneer may change the sequence of the catalogue or unite lots; lots however cannot be divided. The auction is held in Zurich and any legal questions arising shall be determined in Zurich. A buyer consigning commissions or executing room bids acknowledges the acceptance of the above conditions.

The usual conditions applied to auction sales held in Zurich are here reiterated. The above mentioned conditions are written in German, French and English; the only legal valid text is German.

Buona fortuna Italo!

Dal 31 agosto 1995 il signor Italo Vecchi, nostro condirettore, fin dalla fondazione della Numismatica Ars Classica AG, ha lasciato ogni incarico e partecipazione nella nostra ditta.

A tutti sono note le qualità morali e le capacità tecniche di Italo della cui collaborazione non ci saremmo mai privati; ma di fronte alla più che legittima aspirazione di fondare una ditta di sua totale proprietà ed al desiderio di ritornare nell' amata Londra, sarebbe stato irriconoscente, da parte nostra, ostacolare tali progetti.

Al, sempre nostro, caro Italo auguriamo di poter conseguire i migliori successi.

Good luck Italo!

As from 31st August, Mr. Italo Vecchi, our co-director since the foundation of Numismatica Ars Classica AG, has relinquished all his functions and participation in our firm.

We have been fortunate in benefiting from Italo's moral qualities and technical capacity which are known to all. On the other hand, we cannot deny his legitimate aspiration to found a firm of his own and fulfil his desire to return to his beloved London, and it would be ungracious on our part to stand as an obstacle in his progress.

Italo, dear friend, we sincerely hope that your career will be successful.

Questa stupenda quadrupla, pur ricordando il n. 34 del Munt., ne differisce per la data sconosciuta ad ogni opera consultata, per il segno di zecca, l'epigrafia e lo stile eccezionalmente fine del ritratto: è pertanto da ritenersi inedita e probabilmente unica. Ricordiamo inoltre che le rarissime quadruple di Avignone offrono gli unici ritratti in oro di questo Pontefice.

	Ex coll. Signorelli, Santamaria 1954, 75.- Nel maggio del 1413 Ladislao di Napoli occupò con le sue milizie la città di Roma dalle quale Giovanni XXIII era fuggito, ormai abbandonato da Luigi d'Angiò che ve lo aveva condotto, nell'aprile del 1411, sotto la protezione delle sue armi. Insediatosi in Laterano, il Re di Napoli diede ordine a Niccoldò de Diano, nominato Senatore, di battere moneta a suo nome. Nell'agosto del 1414, alla notizia della morte di Ladislao, i Popoli Romano insorse e pose fine all'occupazione napoletana. Pochissimi esemplari di queste monete del più alto interesse storico sono pervenuti a noi; oltre quelli della ex-Raccolta Reale e del Medagliere Vaticano, non ci è stato possibile rintracciarne altri autentici.
